Dear Southeastern Career Center Parents and Student:

Thank you for your patience as we formulate a plan after receiving guidance for COVID-19. Per Governor Holcomb’s order, schools will be closed until May 1st.

We do not want any student or parent to feel overwhelmed. Please be reassured that administration and teachers will be on standby for your child. We will get through this, WE ARE SCC!

SCC’s Plan:

As a school we have never implemented e-Learning. Typically, in a normal situation we would have had implementations put into place, but due to the unforeseen circumstance we will begin implementing e-Learning **selected days in April. You are not expected to report to campus during this time.**

Monday, March 30th - Friday, April 10th, will be waived days of instruction. The following 3 weeks will show a pattern of Mondays and Fridays, waived days of instruction, leaving Tuesday - Thursday as e-Learning days.

Communication:

Instructors will communicate with all students through Remind101 and Google Classroom.

Assignments:

Assignments posted will pertain to your child's program. Because we cannot cover hands-on labs, as that is 80% of what we do at SCC, instructors will be posting assignments that are relevant such as: preparing for certifications, real life applications, soft skills, basic curriculum/dual credit requirements, etc.

Expectations:

Instructors will post/release assignments for that specific week by Sunday 11:59 PM

Assignments are due back to you by the following Sunday 11:59 PM

Required Assignments to include each week:

One Journal Prompt

Integrated Math Lesson

Integrated English Lesson

Curricular assignments assigned

Assignments are to be graded each week upon receipt from student.

Thank you again as we have never had to experience a pandemic such as this. I wish you and your household great health and safety. As always, please reach out if you have questions,
